Annex 2-References, Part 3-Supporting Documents

W. Guidance Document for Direct-to-Consumer and Third-Party Delivery Service Food Delivery, 2019

Companies that engage in direct-to-consumer and third-party delivery service food delivery have increased in recent years. In 2018 the Conference for Food Protection recommended formation of a committee to revise the existing guidance for direct-to-consumer (mail order) food companies to include guidance for companies engaging in third-party delivery serviced for food delivery. This guidance document provides food safety best practices for managing or performing Direct to Consumer (DTC) or third-party delivery (TPD) services.
