Issue History:

This is a brand new Issue.

Title:

FPMCC Standards for Accreditation of Food Protection Manager Certification

Issue you would like the Conference to consider:

Approval of revisions to the Standards for Accreditation of Food Protection Manager Certification Programs.

Public Health Significance:

The credentialing process for *Certified Food Protection Managers* assists in the protection and promotion of food safety by carefully determining the competencies necessary to prevent foodborne illness, unbiased education and training for acquisition of competencies necessary to maintain food safety, and fair assessment practices to ensure that individuals have achieved mastery of these competencies.

Recommended Solution: The Conference recommends...:

The Conference recommends:

1. approval of the revised Standards for Accreditation of Food Protection Manager Certification Programs (attached to Issue titled: FPMCC Final Report - Food Protection Manager Certification Committee; attachment title: Attachment III_CFP Food Protection Manager Certification Standards Version 1.9.2020.);
2. authorizing the Conference to make any necessary edits prior to posting the document on the CFP web site to assure consistency of format and non-technical content; edits will not affect the technical content of the document; and
3. that the revised Standards be posted on the CFP website in PDF format.
