PSC Issue #1: Report - 2018-2020 Program Standards Committee

Issue you would like the Conference to consider:

The Conference for Food Protection (CFP) Program Standards Committee seeks Council II's acknowledgment of the committee's final report and thank the committee members for their work and dedication during the 2018-2020 biennium.

Public Health Significance:

The Voluntary National Retail Food Regulatory Program Standards (Retail Program Standards) were developed to serve as a guide for regulatory retail food program managers in the design, management, and execution of a retail food program with the public health outcome of reducing foodborne illness risk factors. The Program Standards Committee is a standing committee reporting to the CFP Executive Board. The Committee provides ongoing input to the FDA on issues that arise with the Retail Program Standards. The Committee serves the Conference by indirectly assisting Retail Program Standards enrollees in making progress towards meeting the Retail Program Standards. The Committee continues to work with the FDA internal Program Standards working group and the FDA Clearinghouse Workgroup to clarify and address questions about the Retail Program Standards.

Recommended Solution: The Conference recommends...:

1. Acknowledgment of the 2018-2020 Program Standards Committee Final Report; and
2. Thanking the Committee members for their work and dedication during the 2018-2020 biennium.

The Conference further recommends the Program Standards Committee, a CFP standing committee, be charged with the following during the 2018-2020 biennium:

1. Identify inconsistencies in language between all Standards in the Retail Program Standards;

2. Continue review of initiatives (existing, new or under development) involving the training, evaluation and/or certification of food safety inspection officers to ensure the sharing of information and eliminate unnecessary redundancy in the creation of work products or assignments of tasks/responsibilities; and

3. Maintain the "Crosswalk - Requirements for Foodborne Illness Training Programs" document as a resource for content baseline for foodborne illness training.
