- Reducing antibiotic use in farm animals, since 2003
- Serving only rBGH-free milk, since 2003
- Offering 100% café-free shell eggs, since 2005
- Tackling food's role in climate change, since 2007
- Upholding farmworkers' rights, since 2009
- Serving only humanely raised ground beef, since 2012
- Phasing out all pork raised with gestation crates, by 2015

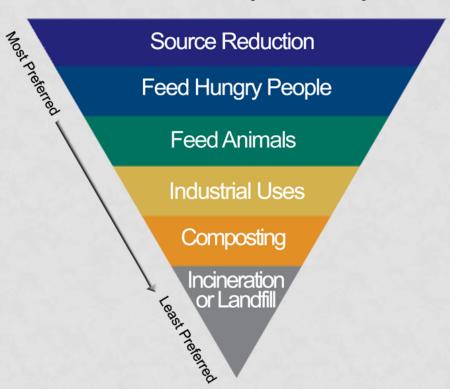

WASTE SPECIALIST

OUR APPROACH

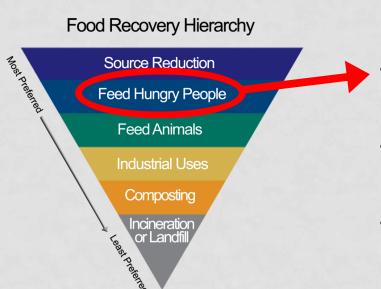

FEED HUNGRY PEOPLE

There is no reason to compost wholesome, excess food when it could feed someone in need!

- We have over 100 food recovery programs in which excess food from our cafés is donated to people in need in our community
- We helped the Food Recovery Network develop their national guide to food recovery for chefs and managers
- We were the first business in the country to get Food Recovery Certified and now have over 30 cafes certified
- We are supporting the development of resources on gleaning which is the process of harvesting produce that would otherwise go to waste, to donate to people in need
