- **ANY COMMITTEE RECOMMENDATION or GUIDANCE DOCUMENT MUST BE SUBMITTED AS AN ISSUE,** related items may be grouped together in a single Issue.
- If the Issue title is not self-explanatory, include in this list a **BRIEF statement of the Issue's RECOMMENDED SOLUTION** – it is NOT necessary to include the entire content of each Issue within this part of the final report (the narrative within the report and the Issue itself will give the required details).
- The **FUTURE OF THE COMMITTEE** must be addressed within an Issue (i.e., to disband or re-create).

**Content documents** are the body of work created by a committee such as guidelines, code or document revisions; content documents will be subject to review and return for editing and clarification. The final version of content documents become part of the committee’s final report and are to be submitted with the Committee’s first Issue.
