Council Recommendation:	Accepted as Submitted _____	Accepted as Amended _____	No Action _____
Delegate Action:	Accepted _____	Rejected _____	

All information above the line is for conference use only.

Title:

Food Establishments With Robotic Operations

Recommended Solution: The Conference recommends...:

1. that a letter be sent to the FDA requesting the 2013 Food Code be amended to include a definition in Section 1-201.10 of the FDA Food Code for food establishments with robotic operations;

and

2. the Conference further recommend that a committee be formed:

A. to establish reasonable criteria and guidance for the new and emerging field of robotic food service operations; and

B. report back with their findings and recommendations to the 2018 Biennial Meeting.

It is the policy of the Conference for Food Protection to not accept Issues that would endorse a brand name or a commercial proprietary process.
