**Issue: 2016 III-014**

<b>Council Recommendation:</b>	Accepted as Submitted _____	Accepted as Amended _____	No Action _____
<b>Delegate Action:</b>	Accepted _____	Rejected _____	

*All information above the line is for conference use only.*

---

**Title:**

Bandage, Finger Cot, and Stall contamination

**Recommended Solution: The Conference recommends...:**

a letter be sent to the FDA requesting the 2013 Food Code be amended as follows (language to be added is underlined):

**2-401.13 Bandages, Finger Cots, or Stall products on Wrists, Hands or Fingers**

**2-401.13** An impermeable cover such as a bandage, finger cot or stall located on the wrist, hand or finger of a food employee working with exposed food shall be covered with a Single-Use glove.<sup>Pf</sup>

*It is the policy of the Conference for Food Protection to not accept Issues that would endorse a brand name or a commercial proprietary process.*

***CORRECTIONS from the original Issue are noted in red.***
