***Conference for Food Protection  
Biennial Meeting / Conference  
Procedures***

**I. Introduction**

Biennial Meeting / Conference Procedures are intended to supplement the Constitution and Bylaws in the conduct of Conference meetings and other Conference business.

**II. Conference/Biennial Meeting Orientation**

A brief orientation shall be conducted for attendees at the beginning of the CFP Biennial Meeting. The orientation is solely for the purpose of explaining and answering questions relative to the structure of the Conference and procedures governing its operation.

**III. Conference Resolutions**

Resolutions that have been submitted in writing and have received prior approval by a majority of the Executive Board shall be presented for voting at the Assembly meeting.

**IV. Conference Issues**

A. Definitions

1. An “Issue” is a topic submitted for consideration to the Conference by any interested party addressing an identified concern related to retail food safety and offering a recommended solution to that concern. The process of Issue submission, acceptance, deliberation, and follow up is outlined in the Conference governing documents.
2. An “Issue Proposal” includes the official Issue Submission Form and all supporting documentation.

B. Issue Submission

1. The Executive Board shall approve an Issue Submission Form.
2. Within the time specified in the Constitution and Bylaws, the Issue Submission Form shall be made available to Conference members and to other interested parties by 150 days prior to the Biennial Meeting.
3. Issue submissions shall be made electronically through the internet. Issues may be submitted to the Executive Board only in the event of a late-breaking food safety Issue. Current instructions for submission and the form are available through the internet on the Conference web site or from the Executive Director.
  - a. For the purpose of this Section a late-breaking food safety Issue is defined as an Issue that specifically relates to an

event, practice or circumstance creating a situation requiring the immediate attention of the Conference that has occurred between the deadline of the Conference Issue submission deadline and the Biennial Meeting.

4. The deadline for Issues and their attachments is the date specified in the Constitution and Bylaws.
  - a. Standing committee final reports are required to be submitted as an Issue ONLY when council action is required (e.g., to approve or modify a CFP governing document or policy). By the designated deadline, all Standing Committees are required to submit their final committee report, prospective Issue(s), and any accompanying documents to the Executive Director for review and approval.
  - b. Placeholder or “blank” Issues will be entered into the online Issue Management Program (IMP) by the Issue Chair in advance of the submittal deadline. Placeholder Issues will become finalized Issues ONLY in the following situations:
    - 1) For CFP committees (e.g., “recommendations from a committee that are stated within the final report but not included in an Issue recommendation, missing the online submittal deadline.)
    - 2) To separate the content of any Issue submitted in advance of the deadline when final review determines the topic is too complex for a single Issue or when it would benefit council deliberation by presenting the topic as separate Issues.
    - 3) When circumstances are beyond the control of the Issue submitter, or the submitter’s employer /organization, and the use of a placeholder Issue is approved by the Executive Director.

C. Issue Acceptance Criteria

1. In order for the Issue to be accepted by the Conference and considered for Council deliberation, all sections of the form must be completed. The Issue must be described completely, with its impact on retail distribution identified. The food protection or public health aspect of the Issue must be clearly stated to be easily understood. A suggested solution or rationale for the Issue must be sufficiently detailed to cover all aspects of the submission.
  - a. Prior to finalization, all Issues are to be in a "finished form" (e.g., no annotations or unaccepted edits, all attachments present and complete). Issues that are not in this format may be rejected if the submitter fails to make requested revisions. Documents containing "track changes" or comments from reviewers cannot be accepted because they are, by definition,

unfinished and incomplete; the Council will not know what wording to act upon.

- b. Issues will NOT be rejected based on content; the only reason for rejection will be non-compliance with the requirements for Issue acceptance.
2. Committee submitted documents may impact the image, credibility and integrity of the Conference as an organization.
    - a. With the exception of material that has been copyrighted and/or has registration marks, committee documents submitted to the Executive Board online through the Issue Management Program, including all work products (Issues; reports; and content documents) generated by a Conference committee become the property of the Conference.
    - b. Issues and supporting documents submitted to the Conference by an independent entity or individual reflect only the submitter's ideas, values, opinions, and findings and those documents do not become the property of the Conference.
    - c. An independent entity or individual who submits an Issue with attached content documentation gives their automatic consent to the Conference to publish that information for deliberation and dissemination.
  3. When the recommended solution is to change the wording of a document, such as the Food Code or a Conference document, the portion of the document to be changed must be accurately identified, the change that is requested must be specified (e.g., actual language for replacement, addition, change or deletion), and the recommended language provided.
  4. A late-breaking food safety Issue submitted after the deadline may be considered for assignment to a Council if it has first been presented to the Conference Executive Board for review and acceptance. The Conference Executive Board shall inform the Issue Chair of its decision to accept or reject any Issue submitted after the Issue deadline.
- D. Issue Withdrawal Criteria
1. The Issue submitter can remove the Issue from the Conference before it has been assigned by the Issue Committee to a Council.
  2. Once an Issue has been assigned to a Council, the Council is required to review the Issue, and at that time they can vote to withdraw the Issue.

E. Issue Committee Assignment of Issues to Councils

1. Immediately after the deadline for Issue submission, the Issue Chair reviews submitted Issues for their compatibility with the Conference objective, as stated in the Constitution and Bylaws, and for their public health significance and completeness.
2. The Issue Chair consults with Issue submitters as needed. Those Issues fulfilling the criteria for acceptance are numbered and assigned to one of three Councils for consideration at the CFP Biennial Meeting:  
  
Council I      --      Laws and Regulations  
Council II     --      Education, Certification and Administration  
Council III    --      Science and Technology
3. Once an Issue is assigned to a Council, it may be given to a Committee to review in depth and develop a position for the Council to consider at the meeting. For a limited number of key Issues, Council Chairs may request a white paper be developed.

F. Issue Rejection Process

1. All Issues must be received in final form by the deadline date. If an Issue received prior to the deadline date does not meet the criteria set forth in IV. B., the Issue Chair will make a reasonable attempt to contact the submitter with a brief explanation of the problem. Failure of the submitter to correct and/or resubmit the Issue prior to the deadline date will result in rejection of the Issue.
  - a. Issue Chair will notify submitter in writing that Issue cannot be accepted as currently written and will be rejected if not submitted in a finished form.
    - 1) Notification to include: specific required changes, deadline date, reference to Issue acceptance Criteria, and a recommendation that Issue can be rewritten and referred to a committee if unable to finalize language.
    - 2) If Issue was submitted by a CFP committee, the respective Council Chair will also be notified; the Executive Director will be notified regarding Issues submitted by standing committees.
    - 3) If submitter is non-responsive, he/she will be notified a second time by the Issue Chair that Issue will be rejected if not submitted in a finished form.
  - b. If no response is forthcoming from the submitter after the second notification, the Issue Chair will notify the Executive Director that the Issue is pending rejection.
    - 1) The Executive Director will evaluate the Issue Chair recommendation for rejection and agree or disagree

based on the criteria spelled out in the Conference Procedures for Issue Acceptance; the Executive Director may elect to contact the submitter directly.

- a) If the Executive Director agrees with the Issue Chair decision to reject, he/she will forward the Issue to the Conference Chair and Vice Chair for their review.
  - The Conference Chair and/or Vice Chair may elect to contact the submitter directly to determine if he/she is willing to bring the Issue into compliance; thus, the submitter may have one last chance.
  - If the Conference Chair or Vice Chair do NOT choose to contact the submitter, the Issue will be rejected.
  - If the Conference Chair and Vice Chair disagree as to whether the Issue should be rejected, the matter will be referred to the Executive Board for resolution.
- b) If the Executive Director disagrees with the Issue Chair and determines the Issue (as written) meets the Issue acceptance requirements, he/she will send the Issue back to the Issue Chair with a written explanation; the Issue Chair may appeal such a finding to the Executive Board.

2. At least forty (40) days before the Conference meeting, the submitter of an Issue that does not meet the criteria for acceptance or is not in the jurisdiction of the Conference is notified by the Executive Director with a copy to the Conference Chair and the Issue Chair of the reason(s) why the proposed Issue is not acceptable. A rejected Issue may be considered a "Special Issue" if accepted by the Board and submitted by the Board to the Council at the beginning of the CFP Biennial Meeting.

#### G. Numbering of Issues

Each Issue is given a number. The number shall reflect the year, Council assignment, and the sequence within that council. For example, Issue 98-III-15 was submitted for the 1998 CFP Biennial Meeting, and is the fifteenth such Issue assigned to Council III.

#### H. Presentation of the Issue to the Council

The submitter of each Issue, or the submitter's representative, is afforded the opportunity to verbally present the Issue to the Council as it is opened for discussion and to address questions that arise during its deliberation.

## I. Supplemental Material to Issues

Supplemental reports, studies and other written materials required to explain an Issue should be submitted as an attachment to that Issue or as a link to an existing document on a publicly accessible website to ensure timely review by the Councils. If that is not possible, written materials relating to an Issue may be made available to Council and Assembly members during CFP biennial Meeting deliberations. Sufficient copies must be provided by the presenters for the Council members and provided in advance to the Council Chair for distribution. However, submitters may not expect that such materials will be read due to the press of business at the CFP Biennial Meeting. Therefore, providers may be asked to provide a brief oral summary of those materials during the appropriate Council or other meeting.

1. Conference Board members, Council members and Assembly Delegates will receive supplemental material that has been developed immediately before and during the CFP Biennial Meeting at no charge.
2. Late developing Conference committee updates shall be presented both orally and in writing.

## J. Issue Packet

An Issue Packet shall be sent to all Conference members. The Issue Packet contains Issues arranged in the order assigned by the Issue Committee although the order may be rearranged prior to or during Council meetings based on a variety of considerations.

## V. Councils

### A. Meeting Arrangements

1. Council Chairs meet prior to the Issue deliberation to review and have a common understanding of uniform procedures to be followed during the Council meetings. This meeting is chaired by the Constitution and Bylaws/Procedures Committee Chair and the Parliamentarian will be present to answer any questions.
2. A meeting room is assigned to each of the Councils for the duration of the CFP Biennial Meeting. Should Councils wish to meet at other times than scheduled, a notice must be posted as to when and where so all attendees are advised. In addition, the Executive Director must be notified of such a meeting. The Executive Director and the Chair of the Local Arrangements Committee shall assist in arranging a room.
3. Councils will post, in a conspicuous place, agendas that show the sequence in which the Issues will be discussed and will update the agenda as they dispense with each Issue. This allows a submitter or interested parties to move from Council to Council to present multiple Issues, if necessary.

If there are conflicts in agendas, i.e., where two or more Issues that were submitted by the same person are scheduled for discussion at the same time, the submitter should notify the Council Chairs as soon as a conflict is identified. The Council Chairs will make every effort to rearrange their agendas to accommodate presentation of the Issues by the submitter or the submitter's representative.

B. Council Member Application Process

New Council members and alternates are selected for the next CFP Biennial Meeting from applications submitted to the Executive Director. All selected Council members and alternates will receive notification of their appointment from the Conference Chair through the Executive Director.

C. Conducting Business

1. Rules

Before beginning Council deliberations, each Council Chair announces the respective rules to be followed, in addition to Robert's Rules of Order, reviews the agenda, schedules, limits of time for deliberation on each Issue by any individual, voting on Issues (i.e., acceptance, no action or referral) and any other pertinent information.

2. Referral of Issues to Another Council

If a Council decides by a simple majority vote that it is necessary to refer an Issue to another Council, the Council Chair immediately notifies the Issue Chair. The Council Vice-Chair works with the Issue Chair to ensure that the Issue and all supporting documentation and rationale for reassignment is successfully communicated and assigned to the new Council. Issue Chair reassigns the Issue and confirms that a notice has been posted on the agendas of all involved Councils. Sufficient copies of the reassigned Issue shall be provided to the new Council for its use in reviewing the Issue. A reassigned Issue is generally considered at the end of the Council agenda or can be grouped with like Issues.

3. Scribe

Each Council has a scribe pre-selected by the Conference Chair assigned for the purpose of noting significant information and recommendations generated in that Council. The scribe should be reasonably free of advocacy positions with the respective Council.

4. App Liaison

Each Council has an App Liaison appointed by the Conference Chair and assigned to disseminate information on the status of Issues using a mobile app.

5. Participation in Other Council Meetings

Council members can leave their meeting to participate in other Council meetings for a particular Issue. Council Chairs should be told beforehand by their members if they are going to do this. Councils post an agenda of Issues along with action status to keep attendees informed and to facilitate scheduling for attendee.

Council members are encouraged to participate in all deliberations in their assigned Council.

6. Council Deliberations and Voting Process

a. Councils deliberate Issues beginning with Issue 01. Should any Council member wish to change the order of discussion, the Chair requests a vote by the Council. If acceptable, the Chair tells the audience and posts a note on the door of the meeting room with the changes. Issues addressing similar subjects may be grouped under one Issue by consent of the Council members. A note describing the groupings is also posted on the door.

b. The Council Chair reads each Issue to the Council and entertains a motion and a second in order to bring the Issue to the floor for discussion. For discussion purposes, the Council Chair recognizes members of the Council first, the submitter and then those in the audience. Should members of the audience wish to be recognized by the Chair, they need to raise their hand, await recognition by the Chair, and then step forward to address the Council. The audience may come and go in an orderly fashion should they wish.

c. The following recommendations can be made by a Council:

· **ACCEPT AS WRITTEN**

Goes to Assembly of State Delegates as submitted.

· **ACCEPT AS AMENDED**

Goes to Assembly of State Delegates as amended.

· **NO ACTION**

Goes to the Assembly of State Delegates as submitted, with reason for “No Action.”

In all cases the recommendation shall begin with the phrase “The Conference recommends...”

7. Council Reports

a. Upon conclusion of the Council meetings, each Council prepares a report. Each report will have two parts:

- (1) Part I: Issues that were recommended “Accepted As Written” and Issues that were recommended “Accepted As Amended”;
  - (2) Part II: Issues that were recommended as “No Action”
- b. These reports are duplicated and distributed to the CFP Biennial Meeting attendees before the Assembly of State Delegates session.

## **VI. Caucus/Consensus Building Meetings**

Caucus and consensus building meetings are held at various times during the CFP Biennial Meeting for five groups: academia, consumers, local regulatory agencies, state regulatory agencies and industry. These meetings enable constituent groups to:

1. Select representatives from their respective groups to fill current or pending vacancies on the Conference Executive Board; and
2. Discuss proposed Issues or Issues that have been deliberated by the Councils.

## **VII. Assembly of Delegates**

### **A. Role of the Assembly**

The Assembly is to approve or reject recommendations from the three Councils, including amendments to the Constitution and Bylaws.

### **B. Workings of the Assembly**

1. The Council Chairs present their reports to the Assembly in sequence beginning with Council I. Part I of each Council report is presented first by each Council. After the Part I portion of the reports is completed the Part II portion follows.
2. Delegate voting options include “Yes,” “No,” or “Abstain.”

If a majority (simple or two-thirds as prescribed in the Constitution) of the voting Delegates vote “Yes” on Issues “accepted as submitted” or “accepted as amended” by the Council (contained in Part 1 of the Council Chair’s report to the Assembly of State Delegates) the action recommended by the Council will be taken.

If a simple majority of Delegates vote “No” on any Issues “accepted as submitted” or “accepted as amended” by the Council (contained in Part 1 of the Council Chair’s report to the Assembly of State Delegates) the Conference will take no action on the Issue.

If a simple majority of the voting Delegates vote “Yes” on Issues on which the Council took no action (contained in Part 2 of the Council

Chair's report to the Assembly of State Delegates) the Conference will take no action on the Issue.

If a simple majority of the voting Delegates vote "No" on Issues on which the Council took no action (contained in Part 2 of the Council Chair's report to the Assembly of State Delegates) the Issue shall be referred to the Executive Board for consideration. The Executive Board will then determine the appropriate action to be taken.

3. The Delegates are asked to identify any Issues from the Council's report they wish to extract for separate, individual discussion.
4. Issues dealing with the Constitution and Bylaws and Procedures of the Conference are automatically extracted from the Council II report.
5. The Conference Chair asks for a motion to accept the Council report minus the extracted Issues. After the motion is made, the Conference Chair requests a second to the motion. The Council report, minus the extracted Issues, is voted upon. Voting options are "Yes", "No", or "Abstain".
6. The Conference Chair asks for a motion to accept the Council recommendation for each extracted Issue. A second to the motion is requested for each extracted Issue.
7. Each extracted Issue before the Assembly can be discussed for clarification prior to a vote. Extracted Issues cannot be amended by the Assembly.
8. Any delegate may request the Conference Chair to announce the final vote totals on any Issue to the delegation and recorded in the Conference minutes.

## **VIII. Committees**

### **A. Council Committees**

1. Committees shall be created based on recommendations from Council and approved by the Delegates. Council Chairs shall submit for the Board approval the names of the Committee Chairs and membership of all the Committees assigned to the Council by the Executive Board meeting following the CFP Biennial Meeting.

### **B. Standing Committees**

1. The following standing committees shall be established: the Audit Committee; Constitution, Bylaws and Procedures Committee; Finance Committee; Issue Committee; Food Protection Manager Certification Committee; Nominating Committee; Program Committee; Program Standards Committee; Publications Committee; Resolutions Committee; and Strategic Planning Committee.

C. Committee Membership

1. Whenever possible, depending upon the nature of the Issue, membership of the Committees should be made up of representatives from around the country and from regulatory, industry, consumers and academia. No more than one person per agency, company, or organization may serve as a voting member on a Council Committee. A CFP member may serve as a voting member on no more than one Council committee during a biennium. CFP members who are not selected to serve as a voting member of a Council committee may serve as an at-large, non-voting member on no more than two Council Committees during a biennium.
2. Federal partner agencies (FDA, USDA, and CDC) can appoint consultants who are not CFP members to a Council Committee for the 2018-2020 biennium. No more than one non-member consultant will be permitted per agency per Council Committee.
3. After the committee formation process is completed, and only during the first year of the biennium, a new CFP member may request appointment only as an at-large, non-voting member on a CFP Council or Standing Committee.”

D. Committee Chair

Committee Chairs serve until the Committee charge is completed or until replaced, whichever occurs first. Under direction and guidance from the Council Chair, Committee Chairs shall develop a work plan and establish time frames to accomplish their work plan. A Committee Chair may appoint subcommittees in order to accomplish the work plan. The Conference Chair or the Chair's designee establishes a calendar for submission of interim and final Committee reports.

A Committee Chair's term shall be from appointment and last through the Executive Board Meeting following the next CFP Biennial Meeting.

E. Duties of Committee Members and the Chair

1. Committee members shall make every effort to attend meetings and participate in conference calls.
2. Committee members shall have the responsibility to notify the Committee Chair of their inability to attend a committee meeting or participate in a conference call at least fifteen days prior to the scheduled meeting or conference call.
3. Committee members shall have the responsibility to review for comment any standards, reports, recommendations, Issues, or other committee documents distributed within the time frames designated by the committee.
4. Committee members shall have the responsibility to complete work assignments within time frames designated by the committee or to

notify the committee Chair or the Chair's designee of their inability to complete a work assignment.

5. A committee member who does not participate in two consecutive meetings and/or conference calls shall have their continued participation as committee members assessed by the committee Chair and evaluated by the committee. The committee member may be subject to removal from the committee. Removal of a committee member for failure to perform duties as specified above shall require the concurrence to of 2/3 of the voting members of the committee to generate a recommendation for removal that is forwarded to the Board for review and determination of action.

F. Term of the Committee

A Committee ceases to exist when its function has been completed and an Issue has been submitted and deliberated at the CFP Biennial Meeting unless it is a standing Committee, or the Council or Executive Board re-authorizes the Committee to continue to work on the Issue under consideration.

G. Committee Meetings

1. Committees may convene during the two years before the Conference meeting to complete discussions of the Issues assigned to them. The assignments are a result of previous Council recommendations that were passed by the Assembly of State Delegates. Committees can also convene just prior to the Conference meeting at the Conference meeting site.

If a Committee deliberates an Issue and by majority vote determines that clarification of the Issue is needed, specificity of Issue parameters for completion of Issue charges is needed, or that an Issue charge exceeds the mission of the Conference, the Committee may seek guidance from the Executive Board through the Council Chair. The Council Chair shall submit the identified concerns with the Committee's recommendation for clarification of the Issue to the Executive Board for review and deliberation. On behalf of the Assembly, the Executive Board may provide necessary clarification of direction or purpose of the Issue charge to maintain the Conference mission. All pertinent correspondence between the Committee and the Executive Board shall be included in the Committee's final report and presented to the Council at the next biennial meeting; the final report shall also include documentation and clarification regarding the original charges.

2. If Committee members are unable to fulfill their obligation, they are to notify the Committee Chair immediately so that the Committee Chair may appoint a replacement. Members who are unable to attend a meeting may not send a substitute, but may forward any material for Committee consideration.
3. Committees may address new Issues, i.e., Issues submitted for the current year's meeting, which have been assigned to the Council, if the Council Chair and Vice-Chair deem it appropriate. The

Conference Vice-Chair works with each Council Chair to ensure that Council Committees work on their assigned charges and report back to their respective Councils in a timely manner.

4. Before beginning committee meetings, each Committee Chair announces the respective rules to be followed, in addition to Robert's Rules of Order, reviews the agenda, and any other pertinent information. Only members of the committee can vote on items brought before the committee. A quorum must be participating to adopt a motion. A quorum is defined as a simple majority of committee members.

#### H. Committee Reports

##### 1. Periodic Status Report

Council Chairs shall submit an interim status report of Committee activities to the Conference Chair no later than thirty (30) days prior to each Executive Board meeting that does not coincide with a Biennial Meeting. The Conference Chair can send a report back to a Council Chair with a request that a committee work further on its report. Council Chairs shall be prepared to discuss the interim report(s) at each Executive Board meeting.

##### 2. Final Report

Committees that are assigned to a Council and Standing Committees that are submitting an Issue shall provide a final report of their activities to the Council with a recommendation in the form of an Issue submitted for Conference deliberation. This shall be done ninety (90) days in advance of the Biennial Meeting as specified in Article II, Section 3, of the Constitution and Bylaws with the report attached to the pertinent Issue.

The Committee Chair or the Committee Chair's designee should be present when the Council meets during the Biennial Meeting to present and discuss the Committee's report.

#### I. Biennial Meeting Committee Selection Sign-Up

Conference members interested in working on Council and Standing committees will be offered the opportunity to sign up for those committees after the completion of each biennial meeting. Biennial Meeting Committee Selection Sign Up will be facilitated through the Conference for Food Protection web page at [www.foodprotect.org](http://www.foodprotect.org) and will be posted and available within two weeks of completion of the biennial meeting. An email notice will be sent to all current Conference members notifying of the committees available and the opening and closing dates for committee sign up online. The committee sign up opportunity shall be available for 30 calendar days.

## **IX. Extracted Issues**

Extracted “No Action” Issues that are rejected by the Assembly during the biennial meeting are referred to the Executive Board for its consideration. The Executive Board shall deliberate the extracted “No Action” Issue with the option to form a small ad hoc committee of no more than eight voting members to further deliberate this Issue as needed and provide a final recommendation by the next calendar meeting of the Board. Whenever possible, the committee shall include a member of the Assembly of Delegates who voted to reject the “No Action” and the individual who submitted the original Issue to the Conference, provided that individual is a member of the Conference for Food Protection. The other Executive Board members on this committee shall be comprised of equal regulatory and industry members along with members who may be selected from any other constituency as necessary to provide balance and direction to the committee dependent upon the Issue. The CDC, FDA, or USDA, if not serving as a voting member, may appoint a non-voting consultant to the committee with an emphasis on expertise specific to the Issue. The actions that may be taken by the Executive Board include: a confirmation of “No Action” on the Issue; support of the Assembly rejection with a recommendation to forward Issue to an existing or created committee to deliberate and resubmit at next biennial meeting; and other appropriate actions as the Executive Board determines.

## **X. Conference Recommendations Relating to the FDA Food Code**

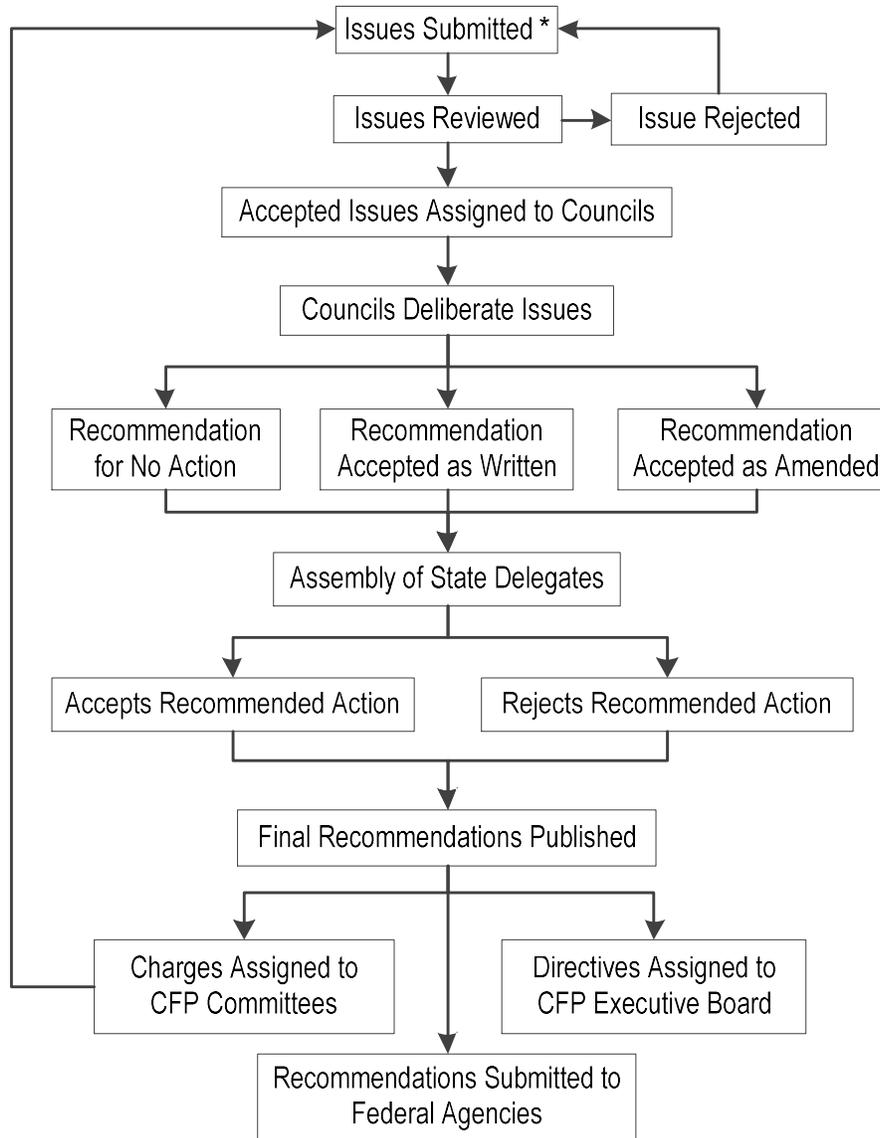

Conference recommendations to State and local governments and others that pertain to retail food protection matters and that may therefore have relevance to the FDA Food Code are conveyed to the FDA in the following manner.

1. The Conference Chair will convey to the FDA and USDA any recommendations that relate to the Food Code within 45 days of the CFP Biennial Meeting.
2. The FDA and USDA will review and reconsider any material forwarded by the Conference. The FDA and USDA will respond in writing to the Conference Chair on each recommendation from the Conference. The FDA and USDA will make every effort to provide these written comments within 60 days of its receipt of the recommendations.
3. The FDA and USDA will be available to discuss any Issue with the Conference Executive Board in an effort to explore any concerns and identify mutually acceptable approaches for their resolution. The FDA and USDA will arrange to have appropriate staff available so that this discussion may occur at the Fall Board meeting following the CFP Biennial Meeting, unless by mutual agreement an earlier date is appropriate.
4. The FDA and USDA will provide a written update to the Conference Chair as a follow up on each recommendation no later than 6 months prior to the next CFP Biennial Meeting.

5. The responses from the FDA and USDA will be posted on the Conference's website as soon as possible.

**XII.**

**Conference Flow**

*\* Issues may be submitted by anyone who has an interest in or concern about retail food safety*
