

# *Conference for Food Protection*

## *Travel Subsidy Policy*

### **PURPOSE**

This policy has been developed by the Executive Board to encourage attendance at Conference for Food Protection Executive Board meetings by providing financial assistance when funding resources for Board members are inadequate or unavailable. It is understood that Conference funds are limited. Every effort should be made to fund travel utilizing employer resources.

### **POLICY**

The Conference will subsidize travel to Executive Board meetings in accordance with the following rules and guidelines:

- The subsidy may cover airfare, ground transportation (e.g., taxi, train, shuttle bus), meals and/or hotel expenses up to a limit of \$800 per member per meeting.
- Board members, including non-voting members and ACAC representatives, must notify in writing the Executive Treasurer at least 30 days in advance of each scheduled Board meeting of the intent to apply for travel subsidy. The notification, on a form approved by the Executive Treasurer, must include the reason for the subsidy request and an itemization of estimated expenses. If Standing Committee Chairs designate an alternate to attend the Board meeting in their place, the alternate may apply for the subsidy.
- Applicants are expected to travel at the lowest fare that provides reasonable schedules and logical routes. Subsidies may not be used to upgrade airline tickets or pay fees for earlier departure times.
- Applicants are required to stay at the hotel contracted by the Executive Director for the meeting unless staying at home or with friends/family. In the event the stay is elsewhere and subsidy support is requested, Executive Director approval is required before the subsidy will be paid. Additional charges incurred because of a spouse/guest sharing a room will not be subsidized.
- Meal subsidy is allowed up to the federal per diem rate for the meeting location. Subsidies may not be used for alcoholic beverages nor any tips. Meal receipts must be kept and submitted.
- To receive subsidy, Board members must submit a reimbursement request to the Executive Treasurer on a form approved by the Executive Treasurer, along with a copy of each receipt, within 30 days following the Board meeting.

- Board members may apply for amounts in excess of \$800 under extraordinary circumstances. Board approval is required before any subsidies in excess of the \$800 limit will be paid.
