Progress Report/Committee Activities:

Committee Chair spoke with Glenda Lewis, FDA/CFSAN, regarding the publication of the 2005 FDA Food Code. Final reviews of the Code are in progress. The Food Recovery Committee will schedule work plan conference calls in from September through December to discuss the committee charge and address any issue submission. A significant impact to the charge is the pending release of the 2005 Food Code.

Carol Fletcher, USDA Consultant, added to committee member list.
