Progress Report/Committee Activities: See individual committee reports under separate cover.

Requested Actions for all Council II Committees (summary): See individual committee reports for details.

1. Program Standards Committee
 - a) Requests CFP continue working to post the following materials on the CFP web site:
 - FDA Retail Food Program Resource Guide
 - Clearinghouse questions & answers
 - Audit manual
 - b) Certification of Food Safety Regulation Professionals – Workgroup 1
 - Requests a scheduled time during the 2006 Conference – *prior to Council II deliberations* – for an orientation of conference attendees to the Issues submitted by the work group:
 - *Estimated time:* 1 hour;
 - *Topic:* proposed training/assessment process and audience Q&A;
 - *Precedent:* an orientation was used when the accreditation process was submitted as an Issue for Food Protection Manager Certification.
 - c) Interdisciplinary FBI Training Programs Sub-Committee – Workgroup 2
 - No specific requests at this time.
2. Inspection Form Committee
 - a. Requests approval of the committee membership to include the addition of Larry Edwards with the Food Marketing Institute as an industry representative.
3. Emergency Response and Preparedness Committee – no specific requests at this time.
