

**Conference for Food Protection 2008-2010
Executive Board Meeting Committee Update – Program Standards Committee Report**

July 23, 2008

Submitted By: Liza Frias

Committee Charge(s):

1. Serve as a stakeholder group to provide input to an FDA internal working group which will be considering administrative functions such as
 - The frequency of revision of the Program Standards document
 - Effective dates/timeframes for meeting new requirements of the Standards
 - Dissemination of changes to the Program Standards document and supporting tools and training materials
 - Mechanisms for encouraging timely self-assessments and audits by enrolled jurisdictions
 - Mechanisms for making changes to the PS documents
2. Formulate resolutions to issues brought before the Committee for language changes to the Program Standards prior to the 2010 CFP biennial meeting.
