

### Executive Treasurer Report July 2021

Due to the timing of the July Board Meeting, second quarter financials have not been completed. I have provided a balance sheet and profit and loss statement through June 30, 2021, but please note some changes will occur after the second quarter has been closed. Also included in this report is a financial report on the NACCHO/CFP Retail Food Collaborative and an Income/Expense report on the Virtual Biennial Meeting.

#### **Balance Sheet**

Attached is the CFP Balance Sheet for June 30, 2021. Please note CFP has \$517,659.49 dollars on hand and \$26,152.60 within Eventbrite which will be paid out at the conclusion of the Biennial Meeting.

#### **Profit & Loss Statement**

The CFP Profit & Loss Statement attached reflects income and expenses by month, January through June 2021. The majority of the income received by CFP was in the calendar year 2020. Due to the Retail Food Collaborative Grant (Government Grants) and Virtual Biennial Meeting registrations (Program Income), CFP had net income of \$3,493.54.

Within expenses, the primary expenses to note are NACCHO/CFP collaborative Grant, \$39,942.75 and under Travel and Meetings, \$46,354.47 for Biennial Meeting expenses. All other administrative expenses are averaging \$6,000.00 per month.

#### Financial Report – NACCHO/CFP Retail Food Collaborative – Year 1

The June 30, 2021 financial report for the NACCHO/CFP Retail Food Collaborative is attached. The Year 1 portion of the grant will conclude in July 2021 with final payment and expenses in August 2021. As of June 30, 2021, current net income is \$43,118. After estimating expenses for July and August, CFP has the potential of earning a net income for year 1 in the amount of \$99,173.

#### **Biennial Meeting Income/Expense Report**

Attached is an income and expense report for the Biennial Meeting as of June 30, 2021. Total income to date for the Meeting is \$407,420. This amount does not include the FDA Grant of \$50,000. I expect to receive the grant funds upon the conclusion of the meeting. The bulk of expense for the meeting is from ConferenceDirect, the platform provider and facilitator of the meeting. The contract total for

ConferenceDirect is \$85,883. I am projecting an additional \$14,000 to \$15,000 for non-contact work performed to prepare for and during the 2020 Biennial Meeting at the ConferenceDirect rate of \$150.00 per hour.

CFP has issued 153 refunds since the beginning of the pandemic, 98 full refunds and 55 partial refunds, totaling \$64,780.00. This loss has been offset by \$42,890 in new registrations.

The Executive Assistant will have better numbers, but my records reflect 474 paid meeting registrations and 350 paid workshop attendees.

As part of the FDA Grant, CFP has offered a Registration Fee Subsidy to Local and State Regulators. To date forty-five have been awarded in the amount of \$15,750. The remaining of the FDA Grant will be utilized to offset the cost of the virtual platform and facilitator. The FDA Grant will help immensely in assuring CFP's future success.

NEHA has graciously committed \$10,000 towards CFP Registration Fee Subsidies, this occurred today and it is not reflected in the Biennial Meeting report. Due to the NEHA funds, a greater portion of the FDA Grant will be applied to the cost of the virtual platform.

Please do not hesitate to contact me with any questions, concerns, or possible errors in the report.
