

Executive Treasurer Report August Board Meeting - 2021

Financial Statement

The second quarter of 2021 Conference for Food Protection Financial Report, attached, provides revenues and expenses for the second quarter of 2021. As was the case in the first quarter of 2021, CFP incurred positive results in two key areas during the second quarter. Revenues from registrations were much greater than projected and refunds were much less. This led to a much stronger quarter than anticipated. The NACCHO/CFP Retail Food Collaborative Grant provided over \$83,000 in income for the quarter which allowed CFP to have net positive revenue of \$30,000.00. CFP carried over \$540,000.00 into the third quarter and looks to finish the year very strong.

2021-2022 Conference for Food Protection Budget

CFP has exceeded expectations in most areas of the 2021-2022 budget. Revenue from registrations are far higher than projected while refunds are much lower. Expenses have remained low and the margins for the Retail Food Collaborative Grant are higher than expected. The cost for the Virtual Meeting is higher than projected, but CFP will be applying a greater share of the FDA Grant to offset the increased cost. Due to these positive results I expect CFP's ending balance for 2021 to be near \$500,000. I also am revising my projections for 2022 ending balance to be approximately \$430,000.00.

2021 Virtual Biennial Meeting Budget

The Biennial Meeting Budget has been updated since the July Board meeting report. CFP did receive an additional sponsorship of \$10,000.00 from NEHA to help CFP provide a registration fee subsidy for those attending as a Delegate or Council Member. Since July's report, registration income increased by \$23,000 and the ConferenceDirect expense increased by \$28,600.

NACCHO/CFP Retail Food Collaborative Grant - Year 1

Attached is the Final Year 1 financial report for the NACCHO / CFP Retail Food Collaborative. The report shows a year 1 net income in the amount of \$95,713.
