

Ad Hoc Committee Report *Sponsorship* For April 2006 Board Meeting

Committee Charge: Review CFP Sponsorship Levels, determine if current levels are adequate or revision is needed and report back the CFP Executive Board.

Committee Members: Dan Smyly, Industry; Cory Hedman, Industry; Fred Reimers, Industry and Larry Eils, Industry, Chair.

Committee Report: The committee evaluated the sponsorship levels used in 2004 and decided there was a need to establish the Titanium Level @ \$2,500 and the CFP Local Sponsor Level @ \$250. This requested change was approved by the CFP Executive Board.

As a result of the committee activities many of the previous sponsors along with **several** new companies and agencies, 26 in total, took sponsorships resulting in a total of \$48,000 sponsorship dollars. After the complimentary registrations are deducted \$30,375 is available to the Conference for the continuation of its operation. A detailed listing of sponsorships is attached for your review.

This compares to 18 companies in 2004 who contributed \$18,600 or \$14,100 after deducting complimentary registrations.

Requested Action: The Ad Hoc Committee requests this report be accepted.
