

# **CFP Executive Assistant Report to Executive Board**

**August 26-27, 2005**

Activities since last April 05 Board meeting:

- Produced April Meeting minutes; organized all April 05 reports and had them posted to the website.
- Completed design of Membership Database in Access 2003.
- Wrote training package for Director on use of database.
- Tested blast email capability, identified inoperative email addresses (80+), and tracked down all but 14 members.
- Solicited dues from unpaid members.
- As of date of this report (7/28) we have 406 paid members and 54 unpaid members in the database. (Some have retired or left the food industry, some have declined to join, 14 are “missing.”)
- Developed new CFP Board roster that can be printed from database.
- Worked with Sterling to have Contact Info Update capability on website for all members. Info is emailed to me and accessible to Trevor and I on password protected website.
- Developing ability to create Council and Committee rosters but will need good information on membership from Chairs.

Unpaid Members (7/28/05)

Member #	First Name	Last Name	Work Phone	Extension	Email
1457	Gary	Ades	(479) 277-8338		gary.ades@wal-mart.com
