Progress Report/Committee Activities: See individual committee reports under separate cover.

Requested Actions for all Council II Committees (summary): See individual committee reports for further details.

1. Emergency Preparedness and Response Committee –

The committee requests that the draft document submitted in March 2007 be reviewed by the board and sent to FDA, CFP (and other) websites seeking comments from members and allow submitting committee to make corrections as needed prior to the conference in 2008.

Note: There should be a time limit for comments. Recommend: October 31, 2007 (or 90 days after posting of the document on the website should be adequate)
