

Conference for Food Protection
Council I Periodic Summary Report

Date of Report: 4/1/2022
Submitted By: Tom McMahan, Council Chair
Rodney Blanchard, Council Vice Chair

Committee Charges and Activities: *See individual committee reports for details*

CFP-CFP-ISSC Joint Shellfish Committee

Co-Chairs: Barry Parsons, Industry
Joe Graham, State Regulatory

Issue: 2020-I-004

1. Continue work to develop guidance documents for foodborne illness outbreak investigations for State and Local retail food inspectors and documents for best practices related to compliance for traceability for retail food establishments.
2. Report the committee's findings and recommendations at the next CFP Biennial Meeting.

Foodborne Illness Investigation Committee

Co-Chairs: Bob Brown, Industry
Catherine Feeney, State Regulatory

Issue: 2020-I-015

1. Determine if it would be appropriate to place language in the current Food Code to address regulatory authority for foodborne illness investigation and obtaining purchase history information. If appropriate, then;
 - a. Draft language for an amendment to the current FDA Food Code giving regulatory authorities authority for access during foodborne illness investigations.
 - b. Draft language for an amendment to the Food code giving regulatory authorities access to consumer purchase history information.
 - c. Include maintaining customer data protection as confidential when managing a foodborne illness investigation.
2. Include methods to educate and collaborate with industry and regulatory authorities.
3. Report progress back at the next Biennial meeting and complete the charges by the subsequent.
