

Conference for Food Protection Executive Treasurer Report August 2015

Second Quarter Financial Statement

The 2nd Qtr 2015 Financial Statement is attached.

Biennial Meeting

The 2016 Biennial Meeting budget is included for discussion and approval.

FDA Small Scientific Conference Grant

I have not yet received word about whether our small conference grant will be awarded for the 2016 conference.

2016/2017 Budget

The draft 2016/2017 budget is attached for discussion. As was discussed at the April board meeting, given our concerns about declining ending balances, a two-year budget would be presented as part of the board's efforts to address concerns about the financial status of the organization.

Respectfully submitted by:

CFP Executive Treasurer
