REPORT SUBMITTED BY: Angle Cyr, Chair; Amanda Douglas, Co-Vice Chair; Joyce Theard, Co-Vice Chair

COMMITTEE CHARGE(S):

Issue # 2016 II-009 – PSC 3 – Recommendations from Issue 2014-II-005

- 1. Identify areas where the Voluntary National Retail Food Regulatory Program Standards can be changed or improved to enhance enrollment and implementation; and
- 2. Work on a project to recognize levels of performance of Program Standards enrollees that will demonstrate the progress of enrollees in a meaningful way and acknowledging the enrollees for taking the necessary incremental steps toward meeting the Program Standards. As part of this project:
 - a. Provide a Cost/Benefit Analysis for recognizing partial achievement of the Retail Program Standards;
 - b. Identify different approaches that could be used to recognize partial achievement of the Retail Program Standards that would not require additional resources to perform or administer; and
 - c. Examine whether there is an additional burden placed on enrollees or FDA (in time, money, or added complexity of the Standards) associated with development of a system to ensure that jurisdictions are uniformly recognized for partial achievement of the Standards.
- Serve as a sounding board for FDA with respect to ideas generated during collaboration with the other entities such as the National Association of County and City Health Officials (NACCHO), Partnership for Food Protection (PFP) and Association of Food and Drug Officials (AFDO).

Issue # 2016 II-015 – CFSRP 2 – Reassign Charges to the Program Standards Committee

Collaborate with the FDA Division of Human Resource Development, and the Partnership for Food Protection Training and Certification Workgroup (PFP TCWG) to:

- Continue review of all initiatives: existing, new or under development; involving the training, evaluation and/or certification of food safety inspection officers. This collaborative working relationship will ensure the sharing of information so as not to create any unnecessary redundancies in the creation of work product or assignment of tasks/responsibilities.
- 2. Review the results of the partnership for food protection training and certification work group recommendations for the nationally recognized Retail Food Curriculum based on the Retail Food Job Task Analysis (JTA) to determine if changes are needed in the Standard 2 curriculum. Identify any gaps and recommendations for change and review the time frame for completion of Standard 2 Steps 1 through 4 for new hires or staff newly assigned to the regulatory retail food protection program.
- 3. Continue to assess if any changes will be needed in Standard 2-Trained Regulatory Staff based on the current standard for review referenced in (1) above to provide better alignment with Standard 4 of the VNRFRPS.
- 4. Report back their findings and recommendations to the 2018 Biennial Meeting of the Conference for Food Protection.

Issue #2016 II-018 – IFITC 3 – Reassign Charges to Program Standards Committee

- 1. Identify available resources related to foodborne illness training.
- 2. Assess any newly developed foodborne illness training courses or programs.
- 3. Maintain the document titled Crosswalk Requirements For Foodborne Illness Training Programs Based on Standard 5 as a resource and content baseline for foodborne illness training.
- 4. Report back any findings and recommendations to each biennial meeting of the Conference for Food Protection.

Issue # 2016 II-020 Reevaluation of FDA VNRFRP Standard 8

- Evaluate Standard 8 of the FDA Voluntary National Retail Food Regulatory Program Standards, as follows:
 - 1. Review the "Description of Requirements" for "Staffing Level" to ensure they are accurate, reasonable, and attainable for jurisdictions of all sizes.
 - 2. Report back their findings and recommendations to the 2018 Biennial Meeting of the Conference for Food Protection.
