Membership Application for the 2021-2023 Biennium

Membership in the Conference for Food Protection (CFP) is open to anyone interested in food safety. Membership is required for appointment to a Committee or Council.

Registration for a Biennial Meeting automatically provides membership for the following biennium. If you are a renewing member and did NOT register for the 2020 Biennial Meeting (held in August 2021), you MUST renew your membership for the new biennium to remain a member in good standing.

Membership dues are \$100 for all or any portion of the period from the end of one Biennial Meeting to the beginning of the next Biennial Meeting. The next meeting is scheduled for April 2023 in Houston, Texas.
