

Conference for Food Protection Interviews – Sound Bites for Final Video

- mark start & stop time shown on DVD player for a segment and general subject of the segment you think should be included

Questions used for the video interviews:

1. Name
2. Organization
3. Town/city, state
4. Why are you at this biennial meeting of conference for food protection? Or why is it important for your constituency (local / state / federal / industry / consumer / academia) for you to be at the conference?
5. How is the conference for food protection different from other food safety organizations?
6. How long have you been involved in the conference?

Issue submitter questions

1. What issue did you submit?
2. Why did you submit it?
3. What will be the outcome of the passage of your issue?

Review Tip:

1. Play through an entire segment.
2. Then go back through the segment listening for clearly spoken short sentences that illustrate the points you want to emphasize about the Conference.

On the following chart indicate the start and stop times of the segment and a general theme to make sure I get what you want in it.
