

I. Are you planning to attend the CFP 2023 Biennial Meeting in person?

2. If you are NOT planning to attend the 2023 Biennial Meeting in person would you attend if a live streaming option (1- way transmission with video and audio) was provided for you to observe some events?

3. A registration fee will be charged for the live streaming option. The more events we live stream the higher the registration fee will be. Please rank these events in order of priority that you would most want to see.

The ranking of the five events by priority are shown below. The highest priority was given to Council sessions, Committee Reports and Updates session, and the Opening session. The Committee Formation session, and Closing session were ranked lowest of the five options. The preference for the Council sessions, Committee Reports and Updates session, and the Opening session were grouped highest and close together. The Committee Formation session and the Closing session were not ranked nearly as high.

- 1 Council Sessions - 2.03
- 2 Committee Reports and Updates - 2.25
- 3 Opening General Session - 2.43
- 4 Committee Formation Session - 3.98
- 5 Closing Session – 4.31
