COMMITTEE CHARGE(S): CFP Program Workshop April 9, 2010

REQUESTED ACTION BY BOARD: Review and Comment

PROGRESS REPORT:

The 2010 Program is almost complete. There are 9 speakers with only 2 that still need to confirm (Laura Green CDC and TBD). I am contact with several possible speakers for the last slot that is TBD. Originally we had hoped to get either Dave Theno or Ann Marie McNamara, but Dave Theno now charges a speaker fee and Ann mArie did not feel she had enough time to do the presentation justice.

The intention is to have a coordinated program in the different talks. We hope to connect them using the following graphic. Employee behavior runs on the left side, management on the right side, with a foundation of regulatory and the food code.
